# ELECTROMAGNET REPAIR AND REMANUFACTURE

**Emergency Service Hotline**  
**800-713-0103**

Save money and extend the life of any electromagnet in your facility with precise repair and remanufacturing service from Hi-Speed. Our repair specialists first assess the condition of your magnet to determine the extent of what might be required to keep your equipment in top condition. Preliminary assessments can include:

- ✓ Mechanical inspection
- ✓ Load testing
- ✓ Coil testing
- ✓ Resistance testing
- ✓ DC hipot testing

When remanufacture is required, Hi-Speed has the resources on-hand to turn around repairs quickly. Our team is experienced with the following brands:

- ✓ National
- ✓ Walker
- ✓ Plate Master
- ✓ Ohio
- ✓ Square D

Customers in a wide range of industries trust Hi-Speed with their electromagnet repair. Industries include:

- ✓ Scrap handling
- ✓ Metal processing
- ✓ Specialty applications
- ✓ Steel production/fabrication

**❖ Hi-Speed can build or source new electromagnets and provide complete installation services.**
