We've Got the POWER!

Memphis' Most Advanced Motor Shop Just Got Even Better

Expanded Testing & Repair Capabilities

Hi-Speed Industrial Service has made a game-changing investment—a new Electrical Test Panel that makes us the only shop in the Mid-South region with testing capacity up to 13.8 KVA.

What This Means for You:

- ✓ No more shipping medium/high voltage motors out of the region for testing & repair
- ✓ Faster turnaround times to keep your business #UpAndRunning
- ✓ Industry-leading equipment by Hipotronics for medium- and high-voltage testing
- ✓ 24/7 emergency service – we're always ready when you need us

Comprehensive Motor Services:

- ⚙️ Inspection, Reconditioning, and EASA Accredited Rewinding
- ⚙️ Load Testing
- ⚙️ Full Machine Shop Services
- ⚙️ Full Line of Predictive and Preventive Maintenance Services
- ⚙️ Climate Controlled Equipment Storage

Let us show you what this upgrade can do for your business! Call today to schedule an in-person or virtual tour.
